DEREK W. HYDE-LAY

How does a "new boy" on the scene appropriately thank a man who has given his whole life to the school, and who personally embodies many of the virtues that distinguish Shawnigan? Fortunately, I don't have to do so finally at this moment. The time will come, but it is not now. Derek Hyde-Lay is not leaving the service of Shawnigan, but is postponing his retirement and will continue to serve as Deputy Headmaster next year. That is the best possible news for Shawnigan, and for me personally. Knowing that Derek's expertise, experience and accumulated wisdom are at my right hand is comforting and reassuring.

Derek has served as Acting Headmaster since July 1st, and has run the school effectively, evenhandedly and with love. He has enjoyed his second stint in that role, but it is the measure of the man that he made me feel totally at ease when I arrived at the beginning of February, some 5 months earlier than expected. He is a man of great warmth, integrity and humour. Above all, he has a profound love of "school life". These qualities combine to make him a Schoolmaster of the highest degree. I am most grateful to him for all he has done on my behalf, for providing the basis of a successful partnership and for agreeing to remain active next year.

Joanne and I are extremely happy to be at Shawnigan. We extend our sincere thanks to all members of the school community for making us feel so welcome, and are looking forward to making our home amongst you for many years to come.

HEADMASTER: A NEW CHAPTER BEGINS

SIMON C. BRUCE-LOCKHART

Simon C. Bruce-Lockhart, Shawnigan's 10th Headmaster, arrived to take over his new position on February 2, 1990. His credentials are impeccable. He was born in Scotland 40 years ago and moved to Canada with his family when he was 5 years old. As a boy, he attended Ridley College in Ontario and upon graduation in 1967, he went to Yale University where he read English, receiving his Bachelor of Arts Degree in 1971. His first teaching job was back at his old school, Ridley, where he taught English and Mathematics as well as coaching football and hockey. After three years there, he decided to study Law at Dalhousie. He soon realized that teaching was his first love and that being a Schoolmaster, not a lawyer, was his true vocation. He returned to Ridley the following year, becoming a Housemaster. In 1979 he moved to Lakefield College School to teach English and Mathematics, coach hockey and sailing. Not long after this he was appointed Lakefield's Director of Admissions and then later Director of Development and as such orchestrated a successful fund raising campaign - a busy life for a young bachelor.

In 1986 he applied for and was appointed as Headmaster of Albert College in Belleville, Ontario. Soon after this appointment three events occurred that were to have a far reaching and permanent effect on his future.

The first was the appointment of an attractive young teacher, Joanne De Vries, to his staff. The second event followed two years later when Simon and Joanne were married and the third, of course, was his appointment as Shawnigan's Headmaster.

We at Shawnigan remember Joanne with great fondness from her Queen Margaret's School days where, amongst her many other duties, she invariably accompanied their girls to various social functions being held here at the school. We were all thus able to get to know her a little and to appreciate some of the many fine qualities she possesses. With hindsight it is easy to see that events would have turned out very differently for Simon and for Shawnigan if Joanne had gone to another school and not Albert College! Their loss has been our gain.

In the few weeks that Simon has been here, he has already demonstrated his astuteness in quietly and efficiently coming to grips with the Shawnigan scene. He has fitted in smoothly, he has won the confidence of the staff and students and has shown a sensitivity in his understanding of the nuances that form so vital a part of the make up of Shawnigan. Teacher - coach - Housemaster - Admissions Director - Development Director - Headmaster - just the right blend of ingredients for success at Shawnigan. Add to this a calm and friendly demeanor, a cheerful and confident manner, his demonstrated interest in the school and each of its students and his obvious comfort in his role as Headmaster and it does not take a wizard to see that Shawnigan has chosen well.

To Simon and Joanne we extend a very warm and genuine welcome, confident that Shawnigan's future growth is in safe and sure hands.

NEW STAFF

MICHEL BOUDREAU

Mr. Boudreau came this year from Quebec for a taste of the teaching life. He's spending his time here as an assistant oral French teacher, volleyball and ice-hockey coach and Ripley's House Advisor. Michel's favourite pastimes are watching movies, listening to the "top 10 hits", and playing icehockey for the "Mill-bay Buckaneers."

Michel's future ambition is to return to Quebec and finish getting his Bachelor of Arts. He's interested in public relations, journalism and marketing.

Shawnigan wants to thank Michel for his contributions to the school this year and wish him all the best in his future.

MR. JASON DORLAND

Mr. Dorland has joined the coaching staff at Shawnigan as coach of the Junior Girls Volleyball team and the Colt "A" Boys Rowing crew, as well as assisting in Groves' House.

He attended Ridley College in St. Catherines, Ontario from 1976 until graduation in 1983. His athletic achievements in rowing are quite impressive and have led him to travel internationally. Mr. Dorland has rowed at the University of Victoria, competed in the Commonwealth Games in 1986, the Worlds in 1987 and the Olympics in 1988.

His interest in advertising design and commercial art work led him to a degree in Graphic Arts from Syracuse University. His skills in this area will be valuable to the art program.

His stay at Shawnigan will provide him with experience in teaching and coaching. We are pleased to have him part of our community and wish him the best in his stay at Shawnigan.

Jennifer Crichton

LYNNE HARGOOD

From 1982 to 1988, Lynne Hargood taught Geography and Physical Education at Queen Margaret's School in Duncan, B.C. She was also an assistant housemistress and a coach of badminton, field hockey, tennis, swimming and squash. Now a Canadian citizen, Miss Hargood was born in Port Elizabeth, South Africa where she graduated from Collegiate Girls' School. In 1978, she received a Bachelor of Physical Education from Rhodes University in Grahamstown, South Africa and from 1980 to 1982, she taught at her alma mater of Collegiate Girls' School with responsibilities similar to those she subsequently had at Queen Margaret's School. She also holds a secondary school teaching certificate from the University of Port Elizabeth, South Africa and from the British Columbia Ministry of Education. Miss Hargood will teach Social Studies and serve as housemistress of School House.

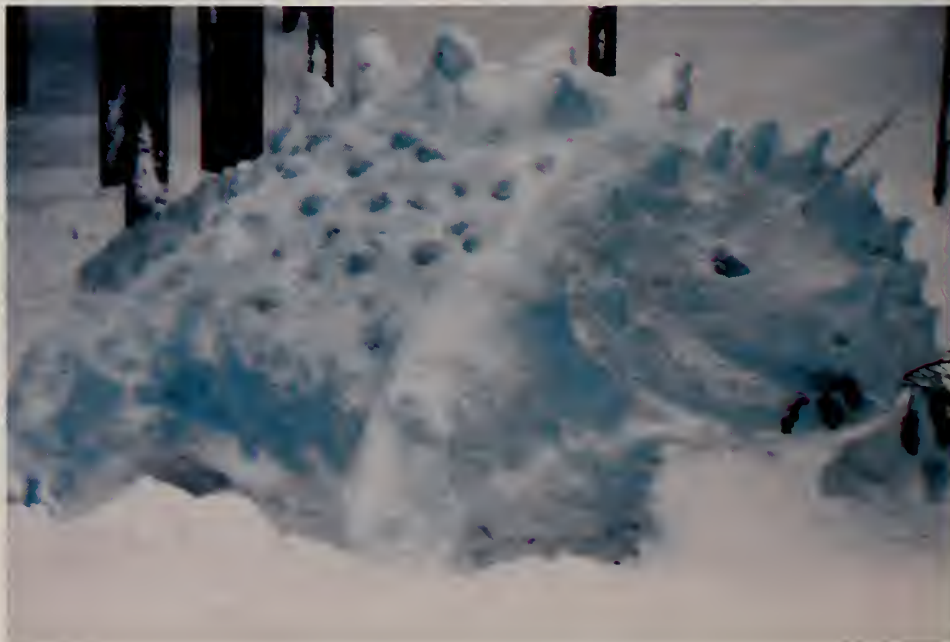

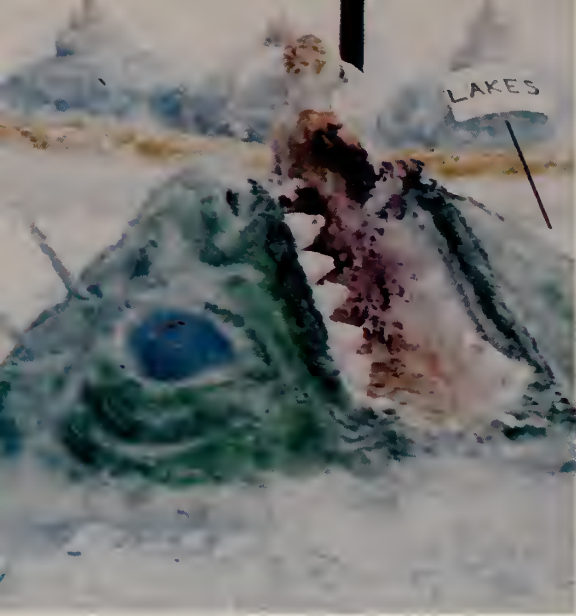

ANDREA SCHREINER

Andrea Schreiner, who has been coach of the Shawnigan girls' rowing program since January of 1989, is now among the staff as a teacher of science and mathematics. She is continuing as a volleyball and rowing coach and is also the Assistant Housemistress of Kaye House.

Born in St. Catharines, Ontario, she graduated as an "Ontario Scholar" from Grade 12 at Lakeport Secondary School in 1978, and graduated from the University of Victoria.

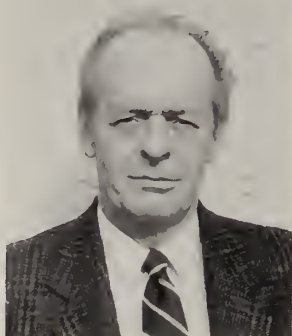

Miss Schreiner is a highly successful international athlete. She represented Canada at six World Rowing Championships from 1977 to 1988, and also at the 1984 Olympic Games and the 1986 Commonwealth. She has also been a coach or instructor of swimming, volleyball and alpine skiing, as well as rowing in past years. Andrea loves working with students in school as well as in the sports so she can "give back all that she learned and achieved". Miss Schreiner was quoted as saying to her students, "I won't accept anything less than your best."

ERIC BONFIELD

Mr. Bonfield came to Shawnigan with a rich and varied background of experiences. He was born and raised in Montreal and then after graduation he spent four years at the Ontario Theological Seminary, receiving a Bachelors of Theology. Realizing a need for life experiences he joined the Metro Toronto police force, remaining with them for a number of years. From the police it was back to school for an honors degree and M.A. in History. Following these accomplishments he completed a B.Ed. degree at the U. of Toronto.

For the past five years Mr. Bonfield has been an assistant professor of History in the faculty of Education at Brandon University.

In 1987 he moved with his wife Joyce and four children to Lasqueti Island where they might enjoy a "back to the land" experience. Mr. Bonfield has always believed in Renaissance (body, mind, spirit) style of education, and it is with these hopes and goals that he enthusiastically comes to Shawnigan. We are very pleased to welcome the entire Bonfield family to our school community and we wish them many happy and fulfilling years here.

Our Chapel program is designed to try to meet the needs of a diversified staff and student population who attend Shawnigan to receive what many consider a balanced and complete education. Our goal is to be instruments in leading souls and deepening their relationship with God so that they may in the course of their lifetime be more "serviceable to God and others."

Regular weekly Services included:

Morning Prayers on Wednesday at 8:00 a.m.

Holy Eucharist on Fridays at 6:45 p.m.

Shawnigan Lake Service on Saturday at 10:00 a.m.

In addition to the regular services many special services were held throughout the year. One of the highlights was the Baptism-Confirmation class. This class met weekly from October to March to look at various faith issues. The highlight of this preparatory program was a one day retreat at the Prince of Peace Priory in Chemainus. Twenty-two young people and one staff person were presented to our Bishop, the Right Reverend Ronald F. Shepherd, to receive the Sacrament of Confirmation.

We have so much to thankful for:

- there has been an increased number of students involved in Chapel Mi-

nistry - choir - crucifer - servers - sacristans - readers - chapel decoration.

- the class of 1939-40 presented us with a new lecturn Bible.

- collection has increased.

As Chaplain I find my work challenging and fulfilling. There is never a day that passes without something happening to help me step back and take note of where I am and what God is calling me to do here at Shawnigan. Our Crucifer, Shane Bowes, will be graduating this year. Shane's leadership in the Chapel has been very special and I know that we are going to miss him.

To everyone: The peace of God which passes all understanding keep your hearts and minds in the knowledge and love of God, and of his Son Jesus Christ our Lord and the blessing of God almighty, the Father, the Son and the Holy Spirit, be among you and remain with you always.

Faithfully,

The Reverend Father Gordon Payne
 Chaplain

RUGBY 1ST XV

Our season took an early start this year with 37 players returning for a 5 day camp. It became perfectly clear after two days of hard work that many had not done their fitness training during the summer months. While the camp was a success, lack of fitness took its toll on many of the players and far too many were sidelined with niggling injuries. I trust a lesson was learned and that future camps bring players back in good physical condition.

The 1st XV season was a tremendous success despite our 3 and 3 record against the other Independent Schools. We got off to a slow start but improved significantly as the season progressed. Spirited forward play, particularly from our loose forwards Pat Maguire, Xander Allison, and Cam Roberts provided

plenty of second and third phase ball for our backs. Our leading try scorer, Christian Matter, made tremendous headway this season along with Doug de la Nuez whose line-out work was outstanding. Ed Steidl at tight head was extremely solid and a force to be reckoned with next season. Hamish Nixon, our hooker, could be found buried under most pile-ups and Colin Creuzot, probably the quickest loose head in the Independent Schools, gave tremendous support to ball at all times.

Our back division led by Steven Quinn demonstrated some flair and a willingness to try to keep the opposition off guard with a variety of moves. Tomo Akiyama at scrum half got stronger as the season progressed and Troy Dennison at inside center was a sound link to the outside backs. Grant Bell at out-

side center defended well and was always a potential threat. Wingers seemed to change from game to game which is a healthy situation for a coach to be in. Takao Kitagawa and Stephen Harper played in the majority of games while Adam Lecky and George Henderson were called upon on occasion. Both Stephen and Takao have another season left and I suspect both will become very competent wingers.

The season begins again in the summer term with both senior teams training for our Downunder Tour. I look forward to working again with the teams as the chemistry amongst the group is extremely good. Congratulations to all the players on a very satisfying season.

The second fifteen, if one examines their win/loss record, did not have a very good season. However, from a coaches' perspective, this crowd showed vast improvement, both on an individual basis, and as a team. Most importantly, the second fifteen was made up of eleven Grade elevens, who will all return to play next year, and four Grade twelves. The seniors all played some very good rugby. To Paul Hill, Adam Lecky, Mark Vlahos and Chris Giroday, many thanks for your leadership and commitment. It is the hope of all the coaches that you all continue playing after graduation.

To those players returning, it is *imperative* that all of you work on strength, fitness and individual skills during non-rugby playing months, so that we can increase the success of the first game rugby teams next year.

An exciting season of rugby played by an enthusiastic group of players. Cam Durand captained a team that defeated S.M.U. in the first game by playing tough, disciplined rugby. The object of the game was to drive forward with the ball in our hands and Grade 12's Shane Bowes, Brock Jackson and Sunny Chandna showed the way in the forwards. In the backs were Sean Pattison, Paul Silcock and Mike Dolman to use the ball won by the pack and many tries were scored by swinging the ball wide.

Many key players will be returning to the school to play in 1st Game next year. At scrum half, was Mark Lamont who made the penalty decisions, and newcomers Octavio Orozco and John Spencer-Nairn who learned the game quickly. Showing great promise on the wings were Ryan Hinds and Ryan Mallory, who covered well and ran hard.

In the games against Brentwood, the team played its best rugby but suffered from the problems of beginning the game late, hard tackling by back row and backs kept the pressure on but failed to produce points. The 3rd XV played superb rugby this season and is well deserving of its winning season. The number of returning players bodes well for the school in the future. I would like to congratulate all players on a successful season.

The same can be said for the 4th XV as many new players developed their skills. Another winning season for this group was

This was a very successful year for the Colt "A" group. After a rather slow start to the season we turned things around and were able to beat long time rivals S.M.U. and won the Vancouver Island Junior Boys Rugby Championships in the final match of the season.

It was really a season of two distinct halves. After the first eight games we sported a very mediocre record of four wins, three losses and a tie. However, in the latter half we went undefeated in all eight games. The poor start was primarily due to the fact that eight of the starting fifteen players were new boys to the school and as the season progressed they gained experience and developed confidence as individuals and as a team. By the time the second half of the season rolled around the group was tightly knit and each individual was well aware of what was required of them if the team was to win.

There can be little doubt that the highlight of the season was the Island Tournament. We played a very hard match against Oak Bay on the first day and were able to defeat them 12-3. This victory placed us on the winner's side of the pool of eight teams. The next day we played local rivals Brentwood and despite the fact that we had defeated them in two previous matches by a combined score of 56-0 were only narrowly able to do so again 3-0 in the semi-final. As a result of their earlier victories S.M.U. had also progressed to the final. They had defeated us rather handily mid season 19-4 so we entered the match determined to avenge ourselves. Determined defence and aggressive attacking by everyone enabled us to defeat them 6-0 and claim the Island title and wrap up a very successful season. The prospects for a strong senior program next year look very bright indeed with the quality of players that will now be moving up.

RUGBY - COLTS "C"

This was a most successful year for the Colts Rugby program and the Colts C team certainly played an integral role. Many of its members were playing the game for the first time. A number were only with this group for a short while as the "C's" are often a stepping stone to higher calibre play with the B's and A's. It was encouraging, though, for Mr. Dickens and me to witness improved skill development and enthusiasm throughout the season and to have the team record victories against St. George's, SMU and Brentwood was an added plus. The depth of this year's Colt's program as demonstrated by a spirited Colt C will certainly stand the senior program well in the coming two seasons.

The boys are to be congratulated on a fine season and I wish them best of luck in all their future rugby endeavours.

The Junior Colts A experienced a successful season, which culminated with a first place finish in the CVIAA mid-island championship. In the ISA league, things were much more difficult, and we managed to win only two of our six games. Likewise, the B team struggled against ISA oppositions, and even though we played strongly against Brentwood and earned a brilliant win against SMU, our inexperience cost us a number of games. There was, however, a great improvement noted in both forwards' and backs' plays, which were evident by the close scores at the end of the season.

The forwards developed into a mobile driving force, and scored a number of tries that saw the entire group of eight with their hands on the ball. The A's were extremely lucky to have, as pack leader, Sam Price, whose maturity, work ethic and courage were an example to us all. Nick did a superb job of leading the back line and of leading the entire A team. The B team was captained by Chris Toffoli and Aaron Molloy, whose intensity and hard work inspired their teammates to their best play.

I would like to thank the athletes on both these teams for their

dedication and effort, and I wish them the very best of success in their future rugby endeavours.

The junior rugby team made tremendous progress this term and developed into a very cohesive unit. The team suffered from one major disadvantage however, and that was the fact that we were always so much smaller than our opposition. At the junior level two or three large players can have a significant impact on the outcome of a game. Despite our lack of stature the squad battled bravely in every game. I was especially pleased with our final performance against the behemoth Brentwood team.

The team captained by fly half Mark Bremner demonstrated tremendous character and much will be expected of them next year (if they grow). Felix Hui at scrum half was our top try scorer, and our best tackler was Peter Harvey. Matt Perry seldom was beaten to the strike and he was ably supported by Michael Hole and Jamie Tremaine. Our back row of Royston Tong, Thomas Phillips and Ian Johansen were always close to the ball and caused havoc amongst the opposition back line. The team was a delight to coach and I shall follow their progress through the school with interest. Matt Perry and Wayne Leung are young enough to play for the juniors next year again and I shall count on their leadership and enthusiasm. Good luck in your future rugby endeavors!

FIELD HOCKEY - GIRLS 1ST XI

In September the 1st XI Girls Field Hockey team played their second consecutive season in field hockey. With determination we set out to improve upon our not so successful first season and to prove to ourselves as well as others that we were a team to be taken seriously.

Although we didn't win all our games we were a team who played hard and most of all, had fun. We were lucky enough to have the chance to play against a touring team visiting from Glasgow High School in Scotland. Although their team was more advanced in the sport of field hockey we did manage to give them a challenge and had a good game. We placed 4th in the Independent School's tournament at U. Vic. and managed to tie and win many of our games throughout the season. We wound up the end of term in December with a brilliant victory against Q.M.S. "the rival" beating them 4-1.

Our defense was headed up by Jen "the hard hitter" Crichton and Shaughn "the hacker" MacGillivray. Our strong mid-field was held up by Stefanie Westarp, Carmen Zens and Cindy "catch me if you can" Clarke. Our offense displayed the expertise of Kelly Jellema, Lisa "Chickylada" Grover, Alison Bowden, Brigitte Steiner, and Ingrid Hanson. Not to mention Rayna "the wrong direction" Bertagnolli, Erica McLeod, Arabella Campbell and Brenda Lionas one of our important scorers.

Thanks go to Sarah Barber our goalie and Mr. Van Deth "Arthur!" our coach. Together we managed an excellent season with only better hopes and promises for the future.

This year's Shawnigan Lake School girls 2nd field hockey team had a good year and a lot of learning experience for the whole team. For some of the members, it was their first time playing the sport and all of them picked it up very quickly.

We played in games quite often against Queen Margaret's School and Brentwood, and although the games were always close, we had a bit of difficulty pulling ahead for a win. We also played in the Junior I.S.A. tournament at S.M.S. but lost to Brentwood and ended up coming fourth out of six teams.

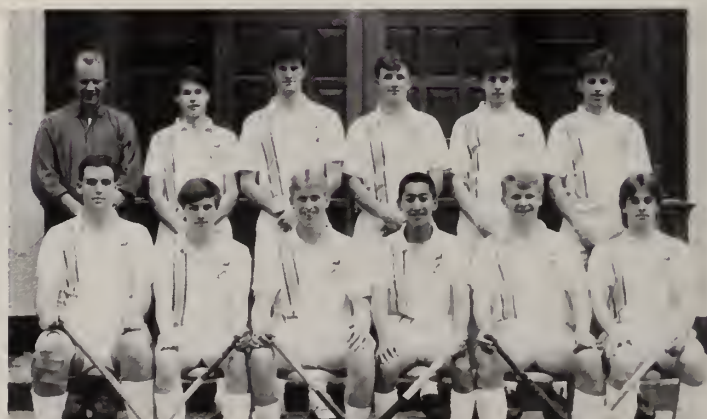

Our goal scorers throughout the season were Ali Quinn, Lisa Finlayson and Jenny Eyring but we always seemed to have a strong team effort in every game. It was a really good season and we all had a lot of fun and a lot of team spirit, not to mention a great coach. Thanks to Miss. Hargood for hanging in there.

FIELD HOCKEY - FIRST XI

This year, the 1st XI Field Hockey team was all but a disappointment. Knowing that there were a lot of holes to fill, we started the season with 13 members. Then out of these players came the 1st XI. Right from the start, we knew that only one "Glory Boy" remained from last year's high scoring offense so the scoring would have to be picked up by others. This was done by spreading the scoring around. The tallies came mostly from the forwards George Hamplas, Grant Bell, Alex Poullos and supported by Alastair Jarvis and Paul Silcock from the mid-field. The defensive aspect of our team was very strong with the play of Colin Creuzot, Tomo Akiyama and Brock Jackson with Christian Matter playing steadily in goal. As the defending Independent School's champions, we started the year with 2 wins, both against Brentwood. The I.S.A. tournament followed. After a narrow victory over Brentwood, 2-1, our thoughts turned to St. George's. Disappointingly we lost that game 1-0 so we came 2nd overall. The last three games we played were against Brentwood. Missing several key players (for various reasons) in all three games, we gave Brentwood the victories. Even though the year wasn't as successful as planned, the enthusiasm kept things enjoyable. I congratulate Tomo Akiyama, Grant Bell, Colin Creuzot, Brock Jackson, Paul Silcock and Troy Dennison for receiving School Colours for their services. I would also like to thank Mr. Van Deth for giving his time to coach us throughout the year.

VOLLEYBALL - SR. GIRLS

The volleyball program underwent considerable expansion this year with the influx of 45 new girls to the school population. For the first time we were able to field both senior and junior competitive teams in addition to offering volleyball to those non-competitive enthusiasts - the team.

The senior team under the captaincy of Helen Mayes came a long way in a short time. Although a relatively young and inexperienced team, the girls did a fine job in terms of improving individual skill development and their knowledge of the game as well as increasing the overall quality of their team play.

Some of the individual highlights included Helen's leadership, setting and offensive skills (wow - what a hit!), Anne-Marie's setting and offensive skills (oops - I used my fist again didn't I), Robynne's solid defensive performance (I need new knee pads, these ones are already worn out), Kerri's willingness to go after any ball (here we go again - eat that floor!), Melody's solid performance in the back row (has she finished serving yet?), Robin's overall performance (but why is this ball white?), Zahra's improved skills and cheering ability (Oogie, Oogie, Oogie), Joyce's newly acquired skills (what an awesome serve), Kris' improved skills (wow - what a forward pass!), Jennie's improved skill and confidence levels (Zing - I scored a point!) and last, but certainly not least, Liz's moral support (I really want to play!).

Team highlights include a second place finish at the St. Michael's Playday, a third place finish at the Mid Island League Tournament and a very fine fourth place finish at the Independent School Association Tournament. Hats off to the entire team for a job well done! The future looks bright!!

VOLLEYBALL - JR. GIRLS

Many of our eleven girls started out rusty; some members had never played "serious" volleyball before but with the help of a dedicated manager, Gillian Craigie, and an excellent coach, Mr. Dorland, we pulled together to make our debut.

With the laughs and good times along came the hard practices to bring us down to earth. Even though we did not always win, we pushed our disappointment aside and had fun anyways listening to Nikki and Sue's dreaded "New Kids on the Block" tape, singing and laughing.

After two new members Sarah H. and Megan joined everything seemed to come together and the team played really well at the York House tournament.

Everyone added something to the team, Arlee with her surprisingly powerful overhead serve gave us five aces in a row against Q.M.S. Kirsten and Paula gave the team energy when it was lacking. Natalie was always there, full of support. Melinda, Carole and Nadine gave us strong advice on the court and the leadership of Becky Davis, our captain, on and off the court was important to everyone.

The best of luck to everybody in their future playing years!

BASKETBALL - SR. BOYS

This year the senior boy's basketball team came out to our first practices keen and ready for a great year. All of the intangibles were there. We had quickness, talent, height and team spirit. We went into the school tournament, The Stag Classic with high hopes. However, these were quickly shattered as the injury bug really plagued us. First, Bill Robertson was sick and Brock Jackson was injured. Jon Bahl was hurt in the first game. Right after Christmas Ed Steidl broke his ankle and Adam Lecky was also hurt. Mike Dice and Bryan Barr was plagued all year by nagging injuries. However there were some nights when nobody could have saved us, when we came out flat.

There was some encouraging play from grade elevens such as Mike Dice and Faizul Sunderji. Charles Smith was easily the most improved player on the team and the loss of Ed was greatly felt as he was a major offensive contributor.

The highlights of our season were two close losses to Brentwood. The first game was a one point overtime loss. We had a chance to win the game in regulation, but failed to convert two free throws.

From the very outset of the season it was rather obvious that this year's team was going to have to work very hard to overcome some major obstacles. Every player worked very hard to improve on their basic skills and by season's end had shown great improvement. Height was a big problem and when we were faced with teams that had guards as big as our biggest the results were inevitable. Nonetheless the team played with great enthusiasm and were able to place 6th in the Mid-Island Tournament.

Special mention should be made of the contributions of Vadim Stavrakov, Peter Harvey, and Joe Klikach. Felix Hui was the team's quarterback and leading scorer and certainly most valuable player. Megan Milliken did very well as the only girl in an all boy league.

Next season should prove to be somewhat more successful on the scoreboard as many of the team will be back.

BASKETBALL - GIRLS

This year was the first year of girls' basketball at Shawnigan. Our season began in mid-November with a few exhibition games. We were very successful in these matches beating Queen Margaret's School. Unfortunately, near the end of the season the competition increased in strength and we placed third in the Island and fifth in the I.S.A. Tournaments.

All in all, we had a very successful season, considering it was our first year. The whole team played and progressed positively throughout the year and our spirit never dwindled.

Without the enthusiastic attitude that Mr. Candelaria brought to our team the season would have been a lot less successful and a lot less fun. Also thanks to Laura Favor who added a special finesse to our team.

Nearly 30 students participated in Badminton this year. In the fall term we played on a recreational basis going on to competition in February.

For the first time Shawnigan was able to compete as a school in the North Island High School League with a mixed team of five girls and five boys. We did well to come 4th out of 7 teams. At the Independent Schools' tournament in Vancouver the boys' team placed 3rd and the girls 4th. Caroline Twiss won all her games in independent school play and Jon Bahl and Raymond Cheung reached the individual doubles final.

School Colours this year were awarded to Jon Bahl, Irene Chu and James Jones.

Representing the school in matches this year were:

Girls: Irene Chu, Rachelle Coleman, Liz McTaggart, Gillian Mullins, Sarah Simson and Caroline Twiss

Boys: Jon Bahl, Dan Isaacs, James Jones, Raymond Cheung, Michael Browne and Eric Siu.

Soccer 1st & 2nd XI

Late November bloomed with blue skies and grassy fields. Practices took place enthusiastically as the post-rugby hiatus took us up to Christmas. We returned in January to more blue skies, an indoor tournament took place at S.M.U. in mid-January with spring-like weather outside. Inside we played well with good skills being evident on the team. Then we were to begin our season's schedule comfortable in the feeling that this was the year with no snow. We were wrong. Once again the snow swept over Vancouver Island and our season was ruined. The 1st XI played one scheduled game in Vancouver against St. George's and the 2nd XI played at home to Brentwood. Both games resulted in narrow defeats 2-1.

Finally in early March we played the I.S.A. tournament under sunny skies on a perfect pitch down at Brentwood. We played attractive, open soccer and won the consolation final 5-2 over St. George's. In the earlier game we had lost 5-2 to S.M.U. so the win over St. George's was a sweet reward for the hard season. In this game our whole team clicked with some excellent moves engineered by George Hamplas and Michael Dolman from mid-field feeding our dangerous wingers Marty Sakamoto and Jeremy Gibson. Jethro Versteeg was also a dominant ball-winner through the middle in this game. Gus Hernandez cracked some lovely goals, as did Jeremy Gibson. Piers Stronge, as captain, led the team effectively from the middle of the defense. It was a fitting reward for his five years of dependable service to soccer at Shawnigan that he was awarded his School Colours.

Next season we hope for better weather.

The weather played havoc with our season but the boys deserve hearty congratulations for maintaining their enthusiasm. We played four games and ended with a win, a draw and two losses. With so little time on the field, the offensive part of the game was strong, but we could have used more time to organize our defense.

Mike Browne did an excellent job captaining the team and leading by example. The future soccer looks good with so many young players doing so well. We had twenty-two players and everybody played. Outstanding contributions came from Jorge Usabiaga, Ian Sinclair and Mike Browne who controlled the ball at mid-field. In attack, John Stibbard and Alvaro Santistevan were always a threat. I was especially pleased by the performances of Grade 8's Ian Johansen, Rodrigo Vargas and Matt Perry who were playing in the older grouping.

Congratulations to all players for an interesting and successful season and a wish for good luck and better weather for the future.

This was the first season of soccer for girls at Shawnigan. We did not play in a league but rather played a number of exhibition games. The team enjoyed some success in their matches and always put forward an excellent effort. As individuals they each improved tremendously. The more experienced players showed great leadership and helped the others develop their skills. K. Grenon, C. Clarke and K. Ross played with

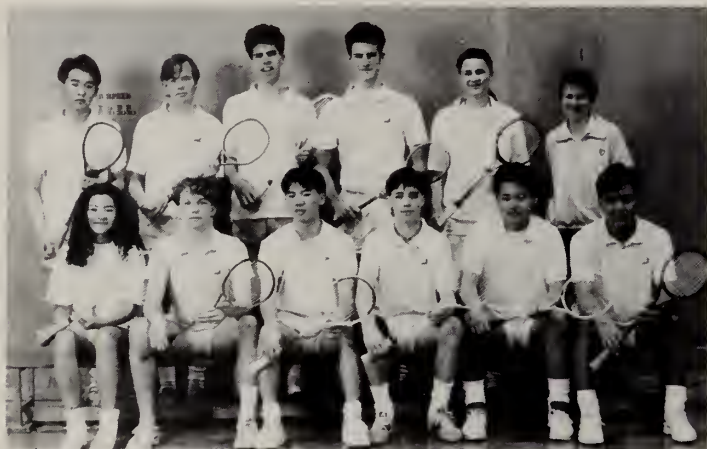

determination and set a very high standard for all the other players. I was particularly pleased with all the girls attitudes and have enjoyed working with each and every one of them this season.

This year in squash we welcomed Miss L. Hargood as our new coach. We also welcomed back Mrs. L. Carr as the assistant coach.

The team consisted of players with various skills and experiences in this sport. Some of the highlights this year included going down to Victoria for the Pacific Northwest Junior Championships. Stuart Ho reached the finals of the under-18 novice category, Craig Charnock was victorious in the consolation event of the same category, and Susannah Pritchard won the under-14 novice event. Other honorable mentions go to Irene Chu, Alistair Jarvis and Raymond Cheung for their excellent sportsmanship.

However, the boys did not fare so well in the I.S.A.'s. We were soundly defeated by the more experienced players from St. Michael's and Brentwood. Fortunately, the girls really proved themselves by becoming champions of the I.S.A.

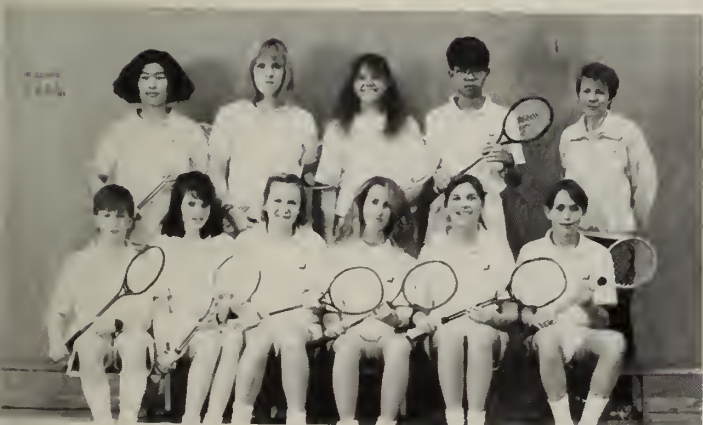

Stuart Ho received School Colours for his contribution to the sport for the last four years. And many thanks must go to Miss

L. Hargood and Mrs. L. Carr for their excellent coachings.
 Good luck and have fun next season!

JR. ICE HOCKEY

The 1989/90 season was a most satisfying and productive year for our senior hockey team. Playing in the Cowichan Valley midget league, the team recorded an impressive 7-1-1 win loss tie record. This competition allowed us to start the season in September and was a big factor in the team coming together later in the year.

Our I.S.A. competition started in January with Brentwood College being our only local fixture. During the regular schedule, we managed a split with them, each with a win, tie and a loss. This set the stage for the I.S.A. tournament in which St. George's also participated. Since we had had good games with Brentwood and the Saints are always competitive, we looked forward to the I.S.A. tournament.

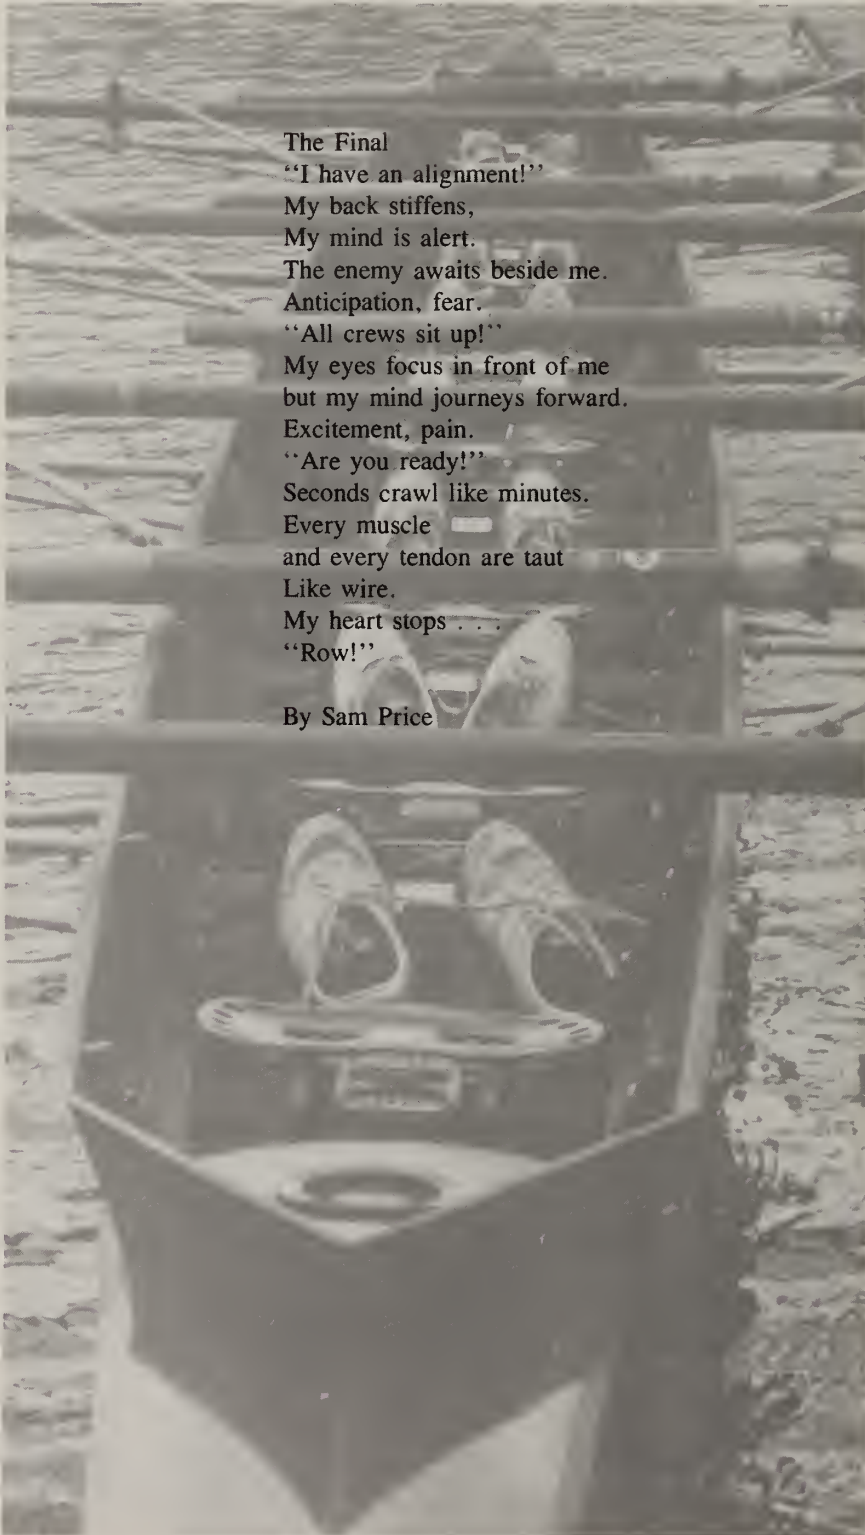

In the first game against the Saints, they scored early but Michael Johnston replied shortly after with a nice goal set up by both Stirzaker and Lemieux. Saints scored to go ahead again but then the game changed. They began taking penalties and strong self-discipline on our parts resulted in 3 power play goals by the big line of Bell, Creuzot and Gee. Saints could not recover and Shawnigan won the game 7-3. In the next game, Saints defeated Brentwood 4-2 which meant we only needed a tie against Brentwood to secure the championship. Brentwood stayed right with

us until, with the score tied 3-3, Kyle Moir put us ahead to stay. Our defensive play took over and the defensive core of Bruntjen, Kuta, Roberts, and an injured Brian Kindrachuk did a great job of shutting them down for the rest of the game. Alex Poulis was stellar in goal as usual and the rest of the forwards, Akiyama, Spencer-Nairn, and Amery gave it all they had when called upon. Shawnigan won 5-3 and were clear victors for the first time since 1986. Thanks to the whole team for a great season and to assistant coach Mike Boudreau for his contribution.

The junior team was lacking in numbers this year and therefore it was difficult to put a team together. However, the few who did want to play were able to practice with the seniors and we did manage to get several games in with Brentwood by bolstering the squad with some of our seniors. Well done to those who worked hard on their skills with the hope that there will be enough of you for a junior team next season.

Mr. L. Fraser, Coach

ROWING

The Final
"I have an alignment!"
My back stiffens,
My mind is alert.
The enemy awaits beside me.
Anticipation, fear.
"All crews sit up!"
My eyes focus in front of me
but my mind journeys forward.
Excitement, pain.
"Are you ready!"
Seconds crawl like minutes.
Every muscle
and every tendon are taut
Like wire.

VARSITY BOYS ROWING

It's been a difficult year for this group, but there have certainly been highlights. The biggest success went to Cam Durand and Shane Bowes, our Varsity 2- who raced extremely well at all local regattas and concluded the season with a silver medal at the CSSRA Championships in St. Catharines. Our First IV was a solid contender in most races, and had the satisfaction of rowing particularly well before the home crowd at the Shawnigan Regatta. Although our First VIII had a rather ragged season, they did gather some great experience and memories - like racing amid the incredible fanfare and media-coverage at Opening Day in Seattle!

Over the course of two years the girls' rowing program has doubled in size, to include twenty-eight members at three different levels. With a new crop of novices, a separate Varsity/J.V. program emerged.

This group of talented yet still relatively inexperienced athletes demonstrated a tremendous ability to stay on task even when progress was painstakingly slow. So, were the "Beach Estates x2", the Easter Camp, the dreaded erg, and the holiday regatta all worth it? Perhaps the memories of dinner at Pagliacci's, of Opening Day, of winning the J.V. 8+ in fine fashion at our own Shawnigan Lake Regatta, of a bronze medal at the CSSRA Champ's in St. Catharines for the Jr. 4+, and the Avondale Dairy will settle the question.

Colt A Crew

The season began in the misty twilight of a December afternoon. Mr. Dorland's motor ran out of gas, and we towed him back to the boathouse. Over Christmas we jogged for miles and did countless thigh-splitting burpees, and in January we returned to Shawnigan for on the water practices that usually ran from three until five-thirty -- after which we'd scrape the ice off our oars and go in to eat what was left for dinner. Our first race was the Head-of-the-Lake, where we finished seven seconds behind Brentwood.

Spring Break was no more relaxing than Christmas, but the circuits paid off with a string of victories in the Colt VIII events (and even a second place finish in the J.V. VIII on Green Lake over the May long weekend). The last, and largest, regatta proved a disappointment, though, as we lost to Brentwood on our home water.

Overall, it was a very successful season for the Colts, and we'd like to thank Jason for his coaching, both on and off the water.

We experienced a great deal of frustration in not rowing to our potential in several regattas. We did manage one victory, at the Maple Bay Regatta; however, the best race of the season was at Delta-Deas where we placed third in the J.V. 8+. The eight, composed entirely of Grade 11's, shows considerable potential for next year's program.

This program has produced some excellent future prospects for Shawnigan rowing. Although somewhat hampered by too many rowers (or not enough shells) the enthusiasm of the boys was always positive. They raced in all of the novice events, often against boys two years older than themselves, and gave some creditable performances. Most notable were the races at Brentwood and Shawnigan, where they made it through tough heats to compete in the finals.

Novice Girls Rowing

There were twelve girls in the Novice Program this year. In spite of a continuous stream of injuries it was a successful season, in terms of both results and experience. We raced at five regattas and placed in every one. Four members of the squad also travelled with other school crews at midterm break to take part in the Pacific N.W. Regional Champ's in Seattle, and returned with three first placings and some happy memories. The girls rowed their best races of the season at the Shawnigan Lake Regatta, placing first in the Novice 8, third in the Lightweight 4+, and fourth in the Jr. B 4+.

Though there is room for improvement, the enthusiastic atmosphere within this crew has helped them all progress with great strides. It has been a fun season, good preparation for next year and the "pursuit of excellence."

Rowing Awards

School Colours were presented to Alison Bowden, Shane Bowes, Cam Durand, Emma Ferguson, Lisa Grover, Shawn Pattison and Carmen Zens.

The Bourne Trophy, to the member of the rowing club who has contributed the most in a selfless way, went to Peter Dry.

The Emma Borgerson Trophy to the Outstanding Female Oarsperson was presented to Jennifer Crichton.

The Michael Howrigan Trophy to the Outstanding Oarsman was shared by Shane Bowes and Cam Durand.

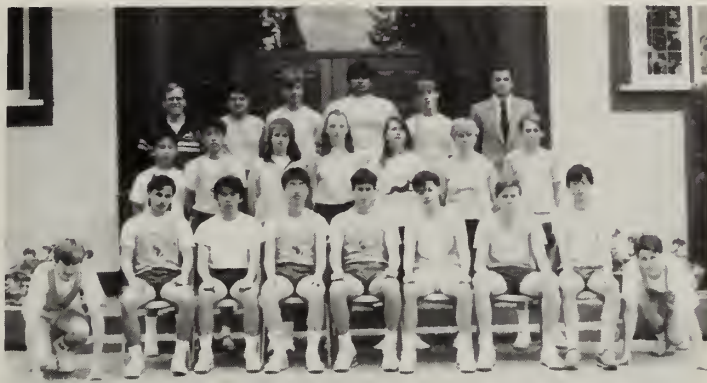

A sterling silver pin was presented to Andrea Schreiner, along with an honorary life-membership in the Shawnigan Rowing Club. Andrea has made an outstanding contribution during her two years of coaching at Shawnigan, and has put our girls program on the map. She will be missed, and our loss is certainly Australia's gain.

The 1990 Track & Field season at Shawnigan has been the most successful one by far in the last few years. The team consisted of more than fifty competitors, captured the I.S.A. Championship, and sent representatives to this year's British Columbia High School Championship.

When comparing this season to last season one thing can be seen very easily, the number of track meets that we competed in has increased enormously. This allowed many newcomers with numerous opportunities to improve their skills and grow with experience. This experience gave everyone more confidence in their abilities and a winning attitude was born.

The four coaches, G. Payne, S. Noble, M. Hall and J. Connolly along with the three Captains, J. Versteeg, B. Barr and M. Dice gave the team a strong leadership role and pulled everyone together.

Steve Quinn and Chris Giroday were both strong competitors in the boom. With Chris making it to the finals in the Vancouver Island Championships. Mike Dice was by far the team's most valuable member. He proved to be an unstoppable force on field events as he is now the Senior Island Champion in Javelin, Discus and Shot Put. Vance Bergen and Derek Orton accompanied Mike on the field. Faizel Sunderji and Ryan Mallory represented Shawnigan as the long distance runners. The two covered the 3000 M. and 5000 M. events. Neil Andersen, a first year member, decided to attack the hurdles. He did very well and contributed to our I.S.A. victory and 3rd place overall finish at the Island Championships. Jason Wilkinson, Jason Roberts and Paul Cosgrave competed in the high jump at the Island Championships.

The six members which participated at the B.C. Championships were Mike Dice, Chloe Beeney, Bryan Barr, Takao Kitagawa, Gus Hernandez, and J.J. Collins. Mike received two Bronze Medals, one for javelin and the other in discus. Chloe qualified for this meet in the Sr. Womens 100 M. hurdles. The 4 x 100 M. relay team consisted of Bryan, Takao, Gus and J.J. Chloe and the relay team did not make it to the finals unfortunately. Originally, Dan Zybutz ran in the second position on the 4 x 100 M. team but due to illness was unable to get to Swangard Stadium. Takao took his place.

The two people who received School Colours this year were Jethro Versteeg and Bryan Barr. Both being 2 year members. Jethro competed in the 400 M., 800 M., and 4 x 400 M. relay. Bryan competed in the 100 M., 200 M., 400 M., 4 x 100 M. and 4 x 400 M.

Looking to the future, it is easily seen that even more success is waiting. People like Derek Orton, Dan Zybutz, J.J. Collins, Faizel Sunderji, Mike Dice, Quinn Myhill-Jones, Matt Seow, Chloe Beeney, Arlee Beischer, Dan Stafinski, Paul Cosgrave and Regan Lundstrom will certainly have a considerable effect on Track & Field at Shawnigan in 1991.

This golf season was the most successful in recent memory due to two main factors. Firstly, our recreational players showed tremendous improvement over last year's play and some even managed to improve their game during this term. A great deal of enthusiasm was displayed by all members of the group and it was very satisfying to see such an interest in the sport.

Secondly, the competitive school representative team of B. Kindrachuk, I. Gee, A. Lecky, M. Johnston, and G. Lemieux advanced to the Island play down for the first time ever. To qualify for this, the team finished 4th out of 17 Mid-North Islands schools. At the Island competition, Shawnigan finished a very respectable 7th out of the ten teams.

The other competition which we attended was the I.S.A. championship at Mayfair Lakes and we finished second to a very strong team Collingwood School in Vancouver.

The results of the two main Shawnigan events were: Ripley's 1st, Lonsdale's 2nd and Groves' 3rd in the interhouse golf; and M. Johnston defeating B. Kindrachuk in the final of the Goody Cup match play for the school championship.

Congratulations to all golfers on a fine season.

In our second year of co-education at Shawnigan, the team did extremely well to qualify for the B.C. Provincial Championships where we placed 13=16. All members of the team deserve hearty congratulations!

In the North-Central Vancouver Island region the only team we were unable to defeat was Brentwood who edged us 6-5 in the final playoff. As the season progressed we made several positional changes, but, in the final analysis special mention must go to Piers Stronge (this year's captain of tennis) and Jon Bahl who combined to produce a formidable doubles team. The most improved player was Joyce Yen. As well, many of the team competed in an open tournament in Nanaimo where they were forced to compete on a more advanced level. Darcy Repen displayed his mental toughness by overcoming two more experienced players.

Here at the School, Lonsdale's House won both senior

and junior inter-house competitions. Graeme Magee and George Hamplas were undefeated in senior doubles and Alvaro Santistevan went unbeaten in junior singles while Adam Thomas and Clarke Kim did not lose in doubles. Piers Stronge and Irene Chu vanquished Elise White and John Bahl in the mixed doubles final of the "Coupe de toute saison" while Alvaro Santistevan ousted Stuart Ho in a three set final of the Grogan Cup.

Thanks are in order to Mr. Leary, Mrs. Carr and Miss Hargood who coached and a special note of appreciation goes to Irene Chu who has donated a marvelous trophy for a girls singles competition.

JUNIOR TENNIS

Upon arriving at the School I heard that the tennis program was a worthwhile program to enter. And soon after the beginning of the tennis season I found this to be true. The feeling of camaraderie was well expressed by the players in the program and particularly those who enjoyed the chance to play on the actual team.

With the aid of our two coaches Miss L. Hargood and Mrs. L. Carr we were able to maintain a competitive attitude amongst ourselves which carried over when we played other schools. Throughout the season we enjoyed the consistent "whipping"

of the Brentwood team. These easy wins gave the team great confidence as to the approaching I.S.A. Tennis Tournament. From the beginning of the tournament we found the competition to be much harder, and we lost both singles but won both doubles. With this realization in hand our team played better, and by the end of the tournament we had tied with St. George's School for first place. Hence repeating the same results as last year.

Perhaps in the upcoming years our bud-

ding juniors will be able to rightfully claim the I.S.A.

Cycling has developed into a respectable sport at Shawnigan.

Though Shawnigan sported no licensed races this year, we still managed a respectable placing at the 13th Annual Tour du Lac: 6th out of 20 schools.

This year's Tour differed from past races. Riders were split into four categories: licensed racers, under-19s, under-16s and women. Racers in under-19 men completed two laps while the women and under-16 men completed one lap.

The schools top placings were Jason Harrison (11th in under-19) and Marcus Steiner (3rd in under-16).

Brent Phillips of Brentwood College established the first record for the Tour's double-lap race with a time of only 1 hour: 8 minutes! The fastest time recorded in the women's race was by Jennifer Kelly (South Delta Sr. Secondary) with a time of 40 minutes: 55 seconds.

Shawnigan's cycling team was lucky enough to have four girls (Zahra Sunderji, Rosalynd Roome, Jennie Stokes and Rayna Bertagnolli) join the boys (Clarey Perry, Jason Harrison, Marcus Steiner, Tim Blair, Rikimaru Hotta, Gordon Frost, Jeff Fairbairn (all from Lake's House), Mike Little, Pablo Domene, Matt Burchill, Dave McLoughlin, and George Roesinger).

Inter-house Cycling placings were as follows: 1. Groves', 2. Lake's, 3. Copeman's, 4. Lonsdale's, 5. Ripley's, 6. School House.

We would like to thank Miss Margaret Bunkall for all the support and time she put into the sport. It is because of her that Shawnigan continues to have such a successful cycling team.

This year was essentially a rebuilding year, with a number of sailors entering regattas for the first time. With the loss of only two seniors, condition for next year looks much improved.

The racing team this season consisted of X. Allison, R. Coleman, C. Lowden, D. Ransom, T. Stirzaker, M. Skeels, and D. Isaacs. We participated in 3 major Regattas this season, and adjusted to varying wind and water conditions each time. Probably the most exciting event of the season was the 2 day Maple Bay Regatta, which attracted some top sailors from around B.C. and provided a challenging 7 race series. Rachelle did exceptionally well by challenging a very experienced women sailor from Victoria and Xander earned a third place finish in his class.

After possessing the "Roger's Cup" for the last 4 years, we had to give it back to Brentwood this season after a tightly contested 2 day event, which was plagued by a lack of wind on the salt chuck in Mill Bay.

Perhaps the most notable aspect of the whole sailing program this year, was the number of girls who opted for this sport. There are a number of very promising young ladies in the team coached by Mr. Sarsfield, and after some initial hesitations because of the cold and wet conditions, they took to the water like the proverbial ducks. The number of young sailors and the enthusiasm of the girls augurs well for the future of the sailing program.

AND AFTER SPORTS . . .

There is many a way to vent frustration. One being sports, as you have seen throughout the first section of, what I like to call the most amazing year-book that Shawnigan has ever seen, (can you tell that I'm on the STAG staff?); some of the most interesting ways (check out Alastair Jarvis and his pumpkin) and some of the most relaxing ways (sick bay catching Mr. Dressup) are displayed on this very page.

The production of a yearbook is a mammoth task. This year's members undertook to complete the largest book ever. Although we did not quite finish by years end, more pages were completed than ever before. A special thanks is due to Mrs. Rolston whose guidance and food kept us going when the end looked far away. A book of memories is only as good as the material that is in it, and so we are thankful to the numerous people who contributed photographs and articles. I trust that the 1989-90 yearbook will be a pleasant, and lasting reminder of the year.

Edge of

The Real Truth About WJ

by Cindy Clarke

In the beginning of September, 17 eager and good-hearted students arrived at Mr. Connolly's room ready to learn all there was to know about writing/journalism. Looking with horror upon his class, Mr. Connolly immediately cut down the numbers until only 13 students remained. And we thought we were the lucky ones!

"You will learn about the art of journalism," stated Mr. Connolly during our very first class, "and you will learn." We all thought that maybe Mr. Connolly was just a little over energetic about his new class. Little did we know that Mr. Connolly was planning a year of cruel and unusual punishment for his grade 12 writing/journalism class.

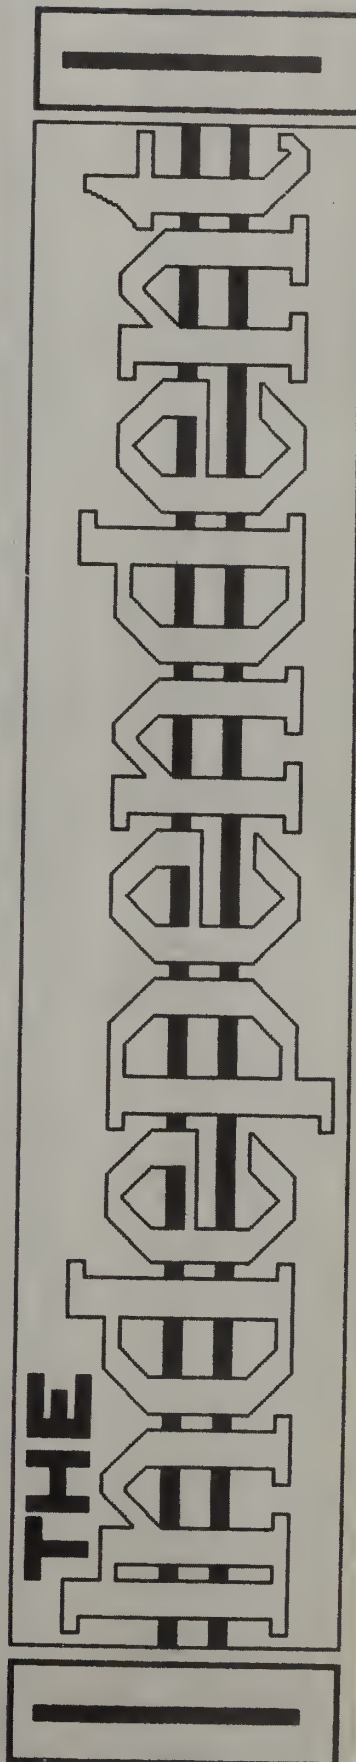

The original plan for the year, was to produce a newspaper every 2 - 3 months. This plan seemed rational to the class at first, because we thought we'd only have to write a few stories, paste them to a page and send them away to be printed. We did not understand the many long hours of effort and concentration it takes to put together a respectable paper.

Also, the censorship issue came up a few times. Many people's articles were cut and revised as not to offend members of the Shawnigan community. But as Xander Allison states, "Jay uses censorship as a tool for implementing his own unfair personal biases."

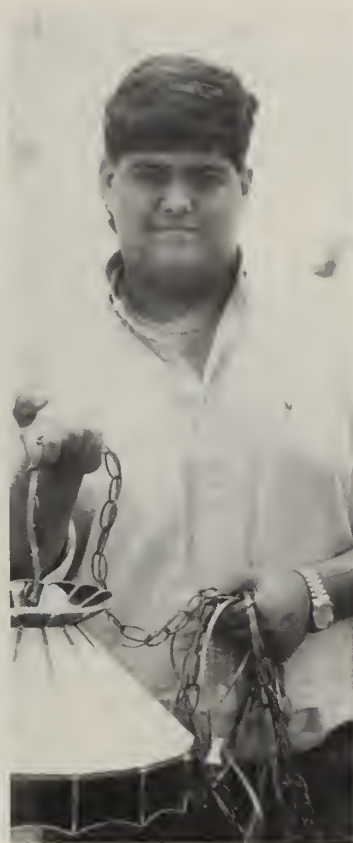

Our first paper came out before Christmas. For a first attempt, it was not bad, although looking back there were many things that could have been made better, and many mistakes that went unnoticed.

For the last 5 months, the writing/journalism 12 class has been working diligently to produce the next edition of the paper. Trying to adjust to a new system of page planning has not been easy. Constant checking and rechecking for mistakes has consumed a lot of time. But finally the time has come and our second edition is out in press. The long hours of work have paid off. And, hopefully, some people in the class will even get a credit for the course.

18th Annual Student Commonwealth Conference

This year Shawnigan was most fortunate to have a student participate in the 18th Annual Student Commonwealth Conference in Ottawa. The conference was organized completely by students, with the sponsorship of the Ottawa chapter of the Royal Commonwealth Society. Stephen (a Grade 11 student) and his two partners, Brenna Bhandar of Glenlyon-Norfolk School and Adrian Behennah of St. Michael's University School, represented the country of Sri-Lanka and made sure that their country's views were expressed during the Heads of Government Meetings. Aiding them in this task was the information supplied by His Excellency Walter G. Rupesinghe, the High Commissioner for Sri Lanka, with who Stephen, Brenna and Adrian all dined with during the Conference's Gala Dinner. There was never a dull day at the conference: whether it was a debate in the Senate of Canada, a workshop at Carleton University, a meeting at the Ottawa Conference Centre or dinner at the Chateau Laurier, the students were always kept busy. Finally, Stephen, Brenna and Adrian received the award for the "Best Delegation", which ended the week with a pleasant surprise. Stephen has been asked to return next year as an organizer of the conference, and is more than willing to accept the offer.

Public Speaking and Debating

This was truly a banner year for Shawnigan's small but enthusiastic group of speakers and debaters, and the loss of only one member to graduation leaves us with positive prospects for next year.

The first activity of the year was the 4th session of the Vancouver Island Youth Parliament and this was attended by Stephen Harper who acted as the MLA for Oak Bay. The V.I.Y.P. is essentially a re-creation of the provincial legislature of B.C., and the laws and bills that are passed at the V.I.Y.P. are forwarded to the "real" government for review. Many bills were passed, including those concerning bicycle safety, fireworks possession and revised gun control.

The next activity that was attended was the Newman-Fisa Debate held at Queen Margaret's School, and Shawnigan was represented by Stephen Harper and Paul Dalgas (SLS "A") and Howard Urquhart and Christian Westarp (SLS "B"). The topic was a very philosophical one indeed. Be it resolved that it is better to have an egg today than a hen tomorrow. This topic could (and was) interpreted in many different ways, and many a time we found ourselves in argument with an idea that we had not even considered.

The next event was the Regional Debating Championships, held this year at Glenlyon-Norfolk School in Victoria. The topic this time around was not as philosophical: Be it resolved that Beauty Pageants are beneficial. Shawnigan was represented once again by Paul Dalgas and Stephen Harper, who managed to win most of their debates despite the superb competition: the presence of Peryl Cain (SMU, last years B.C. champion), Brenna Bhandar (GNS, last years runner-up) and Bevin Manoy (GNS) was, to say the least, daunting . . .

Next on the agenda was the annual mock United Nations Conference held at Glenlyon-Norfolk School. This was attended by Stephen Harper (representing the U.S.S.R.) and James Payne and Hamish Nixon (representing Nicaragua). During this conference they assumed the roles of representatives of their respective countries, and tried to present their country's views on the

topics of debate. Once again, the resolutions that are passed are forwarded to the U.N. in New York, and Hamish managed to pass his resolution which was considered one of the most important of the conference.

The week after that was the Student Commonwealth Conference at S. Margaret's School in Victoria, and this was attended by Stephen Harper and Paul Dalgas, representing Australia. These two were once again successful, and Stephen managed to win an impromptu speaking contest that was part of the Conference. However, this was just a preliminary conference for Stephen, because the week after this he travelled to Ottawa to participate in the 18th Annual Student Commonwealth Conference. Despite the fact that 100 of the most politically aware students in Canada were there, Stephen, along with his partners, Brenna Bhandar (from Glenlyon-Norfolk School) and Adrian Behennah (from St. Michael's University School) managed to win the award for the best delegation. While this was happening, Paul was here at Shawnigan capturing 2nd place in the Hector MacIntosh Public Speaking Contest. As I said before, it was a banner year for Shawnigan . . .

Carman Zens - at work

Rosalynd Roome - Glass Marbles

In late May, three Shawnigan Lake School students represented the Cowichan Valley in the Provincial Arts Festival at Saanich in Victoria. Carmen Zens and Rosalynd Roome had won their respective Dramatic Speech Arts competitions locally with Camilla Towner winning the local Intermediate Ballet competition. In order to compete at the Provincial Festival it is not enough to have just won the local fine arts festival, one must also be recommended by the adjudicator to be talented enough to perform at the highly competitive provincial level. Therefore, having three of our students competing at the Provincial Festival was a great achievement.

Camilla from the local community in Shawnigan Lake, has a strong background in ballet and she has continued with her private teacher in Victoria. Two years ago she was selected to go to Winnipeg for a summer workshop with the Royal Winnipeg Ballet. Also she danced leads with the Alberta Ballet Company in "The Nutcracker" when they performed locally in Duncan. At the provincials Camilla received excellent adjudications. Last year she was runner-up in the Junior Section but this year she was young in the Intermediate Group.

Rosalynd Roome is another day girl from the local community of Cobble

Hill. She is a mature acting talent whose portrayal of her intense monologue, "Clear Glass Marbles", won a great ovation at the provincial festival and at the impromptu concert for parents held at the school near the end of the summer term. We look forward to seeing more of Rosalynd's fine dramatic talents in the new school year.

Finally Carmen Zens, a boarding student from Port Alberni, competed in the Senior Dramatic Speech Arts competition for 18 to 30 years old. Both Rosalynd and Carmen, who were coached by Mr. Jarvis, performed superbly and received excellent adjudications at the Provincial championships. Carmen's three selections, however, were particularly powerful and after a nail-biting, Oscar-like highlights and awards concert where Carmen performed, we were delighted to see Carmen gaining the Provincial Championship. This was a great honour for her and to the fine dramatic background she had received at Queen Margaret's School and at Shawnigan. In the fall Carmen is hoping to attend Simon Fraser University for studies in Drama and the Fine Arts.

RIFLE CLUB

The 1989-90 season has been an exceptionally good one for the Rifle Club. Additional improvements have been made to the range. A ventilation fan has been installed as well as new linoleum in the waiting room.

A new German Anschutz rifle has been added to the existing collection within the club. This rifle has replaced an older rifle not often used.

Significant progress has been made by the students this year. 15 Bronze Crests, 10 Silver, 10 Gold, 4 Prone, 4 Kneeling, 3 Standing and 1 Expert Shield, the latter won by Wade Bruntjen and the first to be awarded in the last 18 years. The third term will bring a second trip to the Cowichan Gun Club to give the students a hands on experience with a wider array of firearms than which are used with the school range.

Bart Straw has been selected for the position of Rifle Captain in the 1990-91 season.

On behalf of myself and the club members many thanks to Mr. Anderson, Mr. Bonfield and Mr. Preston. Without them rifle would not be.

Wade Bruntjen

Archery during the past year has been truly an interesting activity. This year we had two new bowmen, Scott Rickard and Wade Bruntjen. Both were very eager to learn how to shoot.

When we started in September Scott and Wade learned quickly and continued to progress for the first three or four months. Once Scott obtained aluminum arrows his scores improved dramatically over scores when using wooden arrows.

At the beginning of the year Wade attained scores which were above beginners average. As the year progressed he entered the National Indoor Mail Match Competition and achieved a very creditable level compared with other more experienced archers shooting in the freestyle division.

Ryan did well also during the beginning of the year. Once he purchased a new bow his scores raised more than expected, he continued to shoot good, solid scores throughout the year.

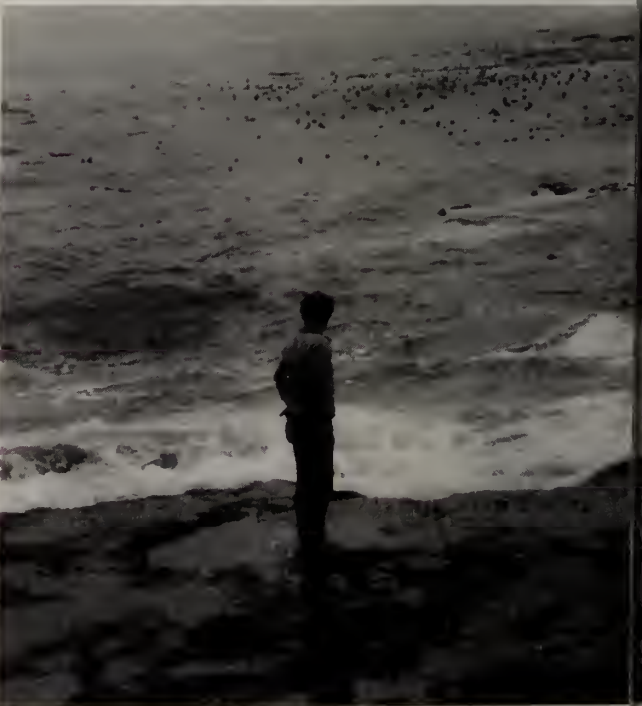

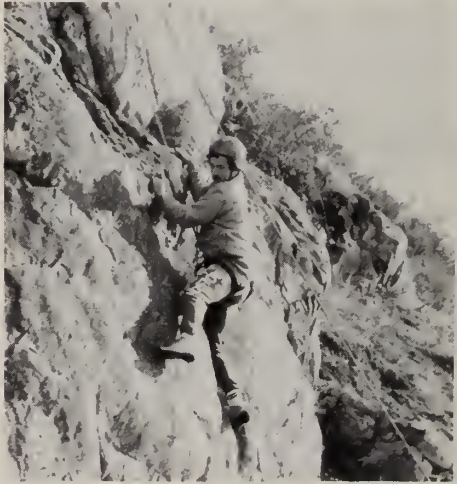

During the last term Wade and Ryan entered the Queen Victoria shoot. We did very well. Wade won his event, and Ryan was close behind him.

Mr. Anderson also shot with us, and was able to earn very high scores.

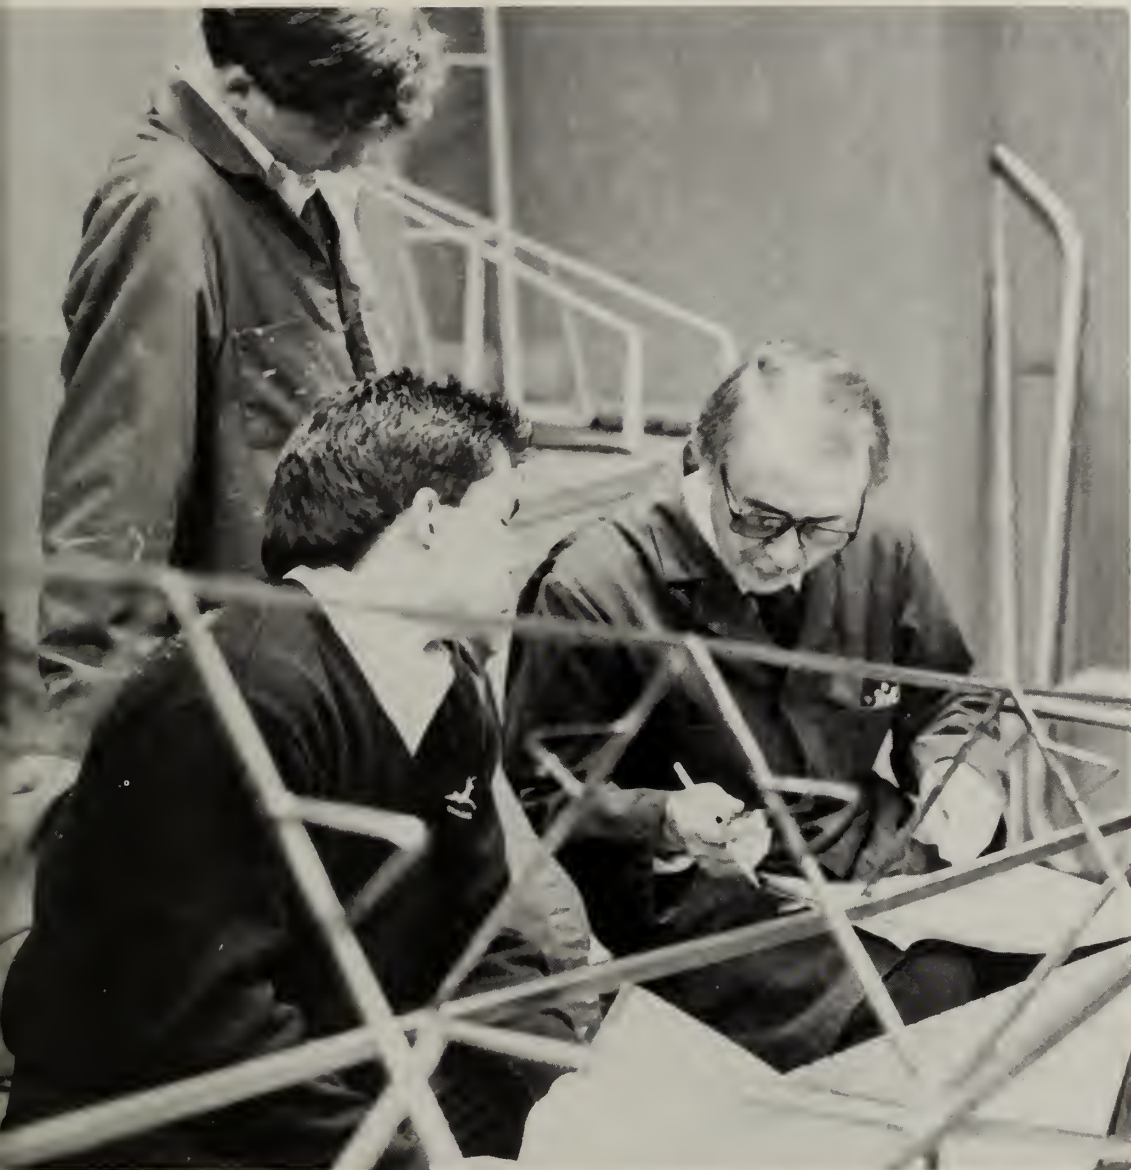

We enjoyed his coaching, and the valuable advice he gave us, for it certainly helped a great deal. Along with Scott and Wade, I would like to thank Mr. Anderson for all his time and effort he dedicated.

BAND

Since Miss Bunkall came to teach band in the 1988/89 year the Music Program at Shawnigan has undergone major improvement. This year the band grew in number to 23. For two concerts the band was at 35 with the addition of Queen Margaret's School under band director Mr. Bakehouse.

The Shawnigan Senior Band entered the Cowichan Music Festival in March and had a good showing with a percentile of 88%. Considering there hasn't been any band program since 1979 and although Miss Bunkall has had to do her best with a primarily athletically inclined student body she has achieved much success.

As I leave to Music College to pursue music I can say that I learned a lot from the program. I wish the band program and Miss Bunkall the best of luck in the future.

EVENTS

GRADE EIGHT EXPEDITION

Once again, the Grade 8's went on their annual camping trip, held this year at Pioneer Pacific Camp on Thetis Island. These days of camping before school starts gives the Grade 8's a chance to get to know each other before the older students come back.

Three days were spent canoeing, orienteering and playing "Capture the Flag" till dusk. A special event was the "Expedition Olympics", held early one morning; all teams won chocolate bars for participating. Each evening, hot chocolate was served around the campfire to end the day's activities.

Mr. Baylis, Miss Bunkall, Mrs. Towner and Mr. Preston did a great job in organizing the trip. A thanks should also go to the senior students who helped out, and, finally, to Eric for cooking great meals for us.

MANNING, HERE WE COME!

On February 4th the school packed up to take off to their winter campus in Manning Park.

Sunday morning was filled with excitement as the students and staff loaded the Anchor Transit buses that lead them to the snow. And snow there was, from February 4th to the day we all packed up to leave on the 9th. The first day everyone piled into buses to make their way to the mountain tops to ski. Lessons for beginners were available or even lessons for the pros so they too could brush up on a few skills. Every night there was a meeting to let everyone know what was going on. Such as; movies, education talks and much more. But every day was different.

SHAW HITS THE SLOPES

Some people snow boarded, skied and some people just sat in the lodge all day because of previous accidents.

The biggest excitement of Ski Week was 'Carnival Day', it took place on the Tuesday. It consisted

of cross country skiing, races between houses, an ice sculpture competition, relays, egg throwing, treasure hunts and more. The day was very successful, all in all the whole Ski Week was. It continued to snow everyday that the school was

there, so each day new trails to ski on would have to be made.

The day we left some students were sad. It was the Grade 12's last Ski Week with Shawnigan Lake

LA CARNIVAL DU SHAWNIGAN

School. February 9th we all packed up and left for a three day half term. It was one of the best Ski Weeks ever.

COMMUNITY SERVICE DAY

The Shawnigan Lake School Community Service Day was a success again this year. The organization was undertaken by Mr. J. Davies with the help of Charles Smith and Stephen Harper. They decided that the funds raised this year would go towards the flight of the student from Meru, Kenya that they are bringing to the school next year. All the students were given jobs that ranged from yard work to cleaning the Provincial Park and washing cars at a school car wash. Over two thousand dollars was raised which will pay for a large part of Moses Mitima's flight. The day was a success thanks to the student body who worked hard for their Community.

FRENCH IMMERSION TRIP

LE VOYAGE D'IMMERSION

Chaque année, il y a un weekend d'Immersion pour les meilleurs étudiants de Français 11. Cette année, nous sommes allés à Camp Columbia sur l'île de Thétis. Nous avons quitté l'école le premier vendredi d'avril et nous sommes arrivés à Camp Columbia à onze heures. Ce soir-là, nous avons préparé le "Grand Dîner" qui était très délicieux. Samedi, nous avons fait beaucoup d'activités et de sports. Par exemple, l'orientation était un grand succès. Dimanche, était le dernier jour. Nous avons nettoyé et nous sommes partis à midi pour le traversier que Madame Leary et Madame Towner ont manqué.

Le weekend était formidable. Il y avait beaucoup de soleil et on a parlé beaucoup de français.

Far Away From My Country

Why you look so special?
I didn't know,
When I was in you.
Why I concentrate more,
When they talk about you?
Why I feel so proud,
When you are getting famous?
Why I feel so shamed,
When you do something wrong?
Why I'm so glad,
When I see the people from you?
Why I sometimes miss you
Although my family is here?
I don't know,
Why I've never felt this,
When I was in you.

What Makes The World Go Round

As soft as a winters day,
it glows like the moon,
I seem to float.

As frequent as the tide
rolling in . . .
and . . .
out . . .
forever.

We live,
side-by-side
day-by-day.

Together, we are truth . . .
. . . and happiness.

Like being in a windowless room,
there is no conception in time,
indeed, we *are* one moment in time,
stretching, reaching, grasping, touching,
over thousands of years.

Together . . .
. . . and true.

One drop of rain suspended
While others . . .
. . . fall
around us.

Living,
hoping,
dreaming.

We are love.
We are forever.

Sunshine on the Lake

The golden rays shine through
the trees are scattered by the
leaves and fall like golden
raindrops onto the placid
water. The wooden dock
creaks and groans. I close my
eyes and sigh - a peace to just
be me.

Mother

She was here
3 billion years before
ignorance invaded.
Now, we smother the earth
suffocating it.

At first it was only humans
that mattered
then only countries.
Now, it's only the individuals.
Will we never include Mother
as the important one?

Acres of green are almost extinct,
the natural world is rapidly shrinking,
highways exist, where trees once lived.
Look around you -
can you see what the world
was once like?

When will we realize
that we don't own the earth,
but, really, she owns us.
If you listen carefully
you will hear Mother
scolding -
"Protect your future
or it may never become
part of the past."
Mother is always right.

- Robin Roth

Pastel drawing by Sarah Barber (12)

Crumbling Land

At first the day was silent.
But as the cacophony of tremors,
Rose from deep within the Earth,
And covered up the screams of
terror,
From the mouths of the innocent.
Buildings rocked from side to side,
And finally cracked and fell.
So did the bridges and highways.
Glass windows shattered the dreams
of many,
On that fateful day.
But they will rebuild.

- Gordon Frost

Pencil crayon drawing by Jeff Halliday (10)

Yesterday Was . . .

Life turns away,
like a spine worn book,
as days fold into night,
the pages become weathered.
Long ago read, is the adventure
when James Bond and Peter Pan were real.
When watching father cut the grass was great,
for one day the duty would be rightfully yours.
As the story unfolded,
the woods were a world, and time was only
known by them,
and dinner always came too soon.
The mud wasn't dirty enough and the tub was
an ocean.
Imagination was real, and was the reason why,
for it was understood by all . . . ,
back then
Now just letters on a tattered, folded page,
They flit by, as the adult quest for total
everything goes on.

Waiting For Spring

Naked it stands.
Strong black arms
Shoot twisted, boney fingers,
At the stars above.
The thick trunk holds firm,
As the midnight breeze
Hisses through the entangled branches
Of the wintered tree.

Pen and ink drawing by Brian Cunningham (12)

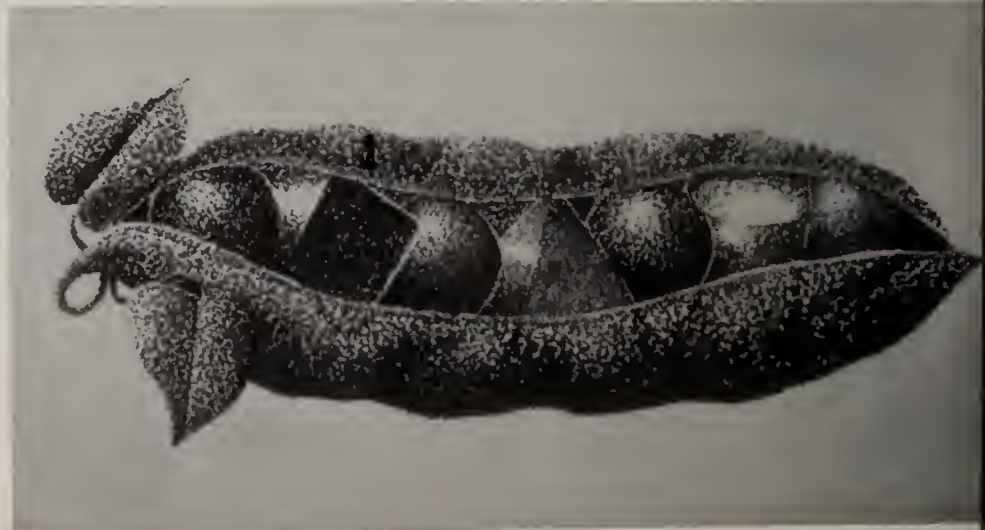

Morning Air

I'm lying in bed
At ten o'clock
Dreading the inevitable
Wake up call.
Sun shines in,
Pond glitters,
An "upper-drug",
My adrenalin flows.
The fresh morning air
Tingles my senses
Roses in summer,
The scent refreshing.
The morning shining
Ready for a new day.

HOUSE

COPEMAN'S

This year proved a varied and interesting one for Copeman's. There was unmistakable Copeman's spirit evident throughout the House, but it seemed to be rather unfocused at times. In the inter-house competitions the House showed flashes of brilliance which proved the talent we needed was there, but was unfortunately not fully utilized by Closing Day.

What cannot be recognized with points is the House contributions to the School in many areas. Copeman's was fortunate enough to have individuals gifted in many areas. Members of the House contributed greatly to School life in areas including academics, the fine arts and athletics. It was this flavour of individualism which made Cope-

man's the unique place it is.

Highlights for the House were undoubtedly Copeman's Day, The House Party, Swims in Duncan, and good inter-house performances.

After four great years of service in Copeman's, Mr. Felix moves on to be Housemaster of Lonsdale's. We wish him all the best. All in all a fine year for the Raiders!

GROVES'

I have been a member of the Groves' family for the past four years. Throughout those four years, I have seen many changes perhaps the biggest being the appointing of Mr. Dai Williams as Housemaster of Groves' House.

Taking over for Mr. Bill McCracken, Mr. Williams was faced with a very difficult task. It was becoming a father to forty-some rambunctious teenagers, most of whom have been around for Mr. McCracken's reign and would no doubt be judging every move that he made.

All turned out extremely well, however, as Groves' House emerged victorious in the end, beating all the other boy's houses. Among our most notable feats were skiing, tennis and ice sculp-

ture. A special thanks to Neil Andersen, a newcomer to the house, who blew everybody else away on the slopes. Unfortunately, none of the boy's houses have ever stood a chance against the girl's houses when it comes to academics. At least we can say we were the closest!

This year the house was graced with the presence of Jason Dorland, an avid rower from Ridley College in Ontario. He will surely be missed as he leaves this year in pursuit of a career in commercial design.

Mr. Williams didn't do it all, however; he had the help of this army of Assistant Housemasters Mr. M. Hall, Mr. S. Cox, Mr. G. Anderson and Mr. J. Dorland, all of whom are very much

liked by the students.

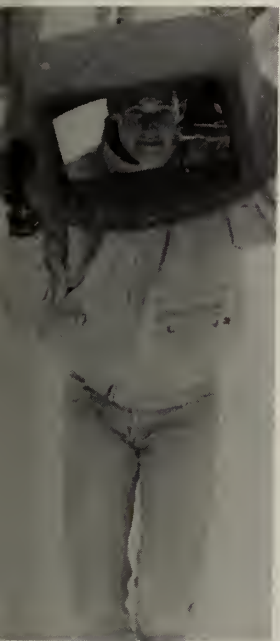

A very special thank you is owed to Mrs. Williams who managed to pull us all through exams with her baked goodies. Some of us have a hard time surviving on school food and Mrs. Williams always manages to ease the pain!

All in all, a terrific year and, without any doubt, there are many more to come.

LAKE'S

We began well, with a first in the Round-The-Lake Relay. The juniors did their part by placing first in swimming, rugby, soccer and field hockey, too.

A number of House Colours were awarded, but particular mention is deserving to Marcus Steiner who earned six.

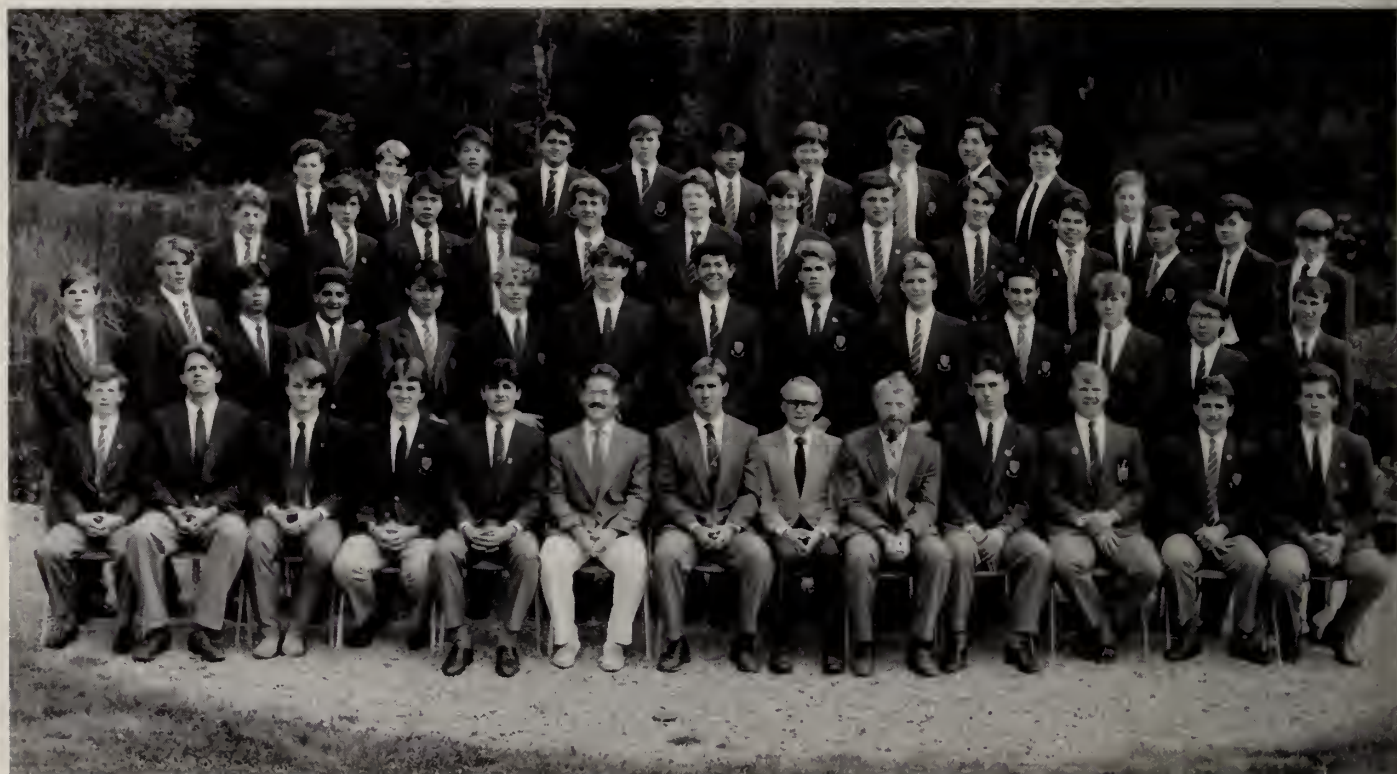

The seniors did a great job of leading

the House. The prefects and other grade 12's formed a close-knit, friendly group that established a positive, happy atmosphere.

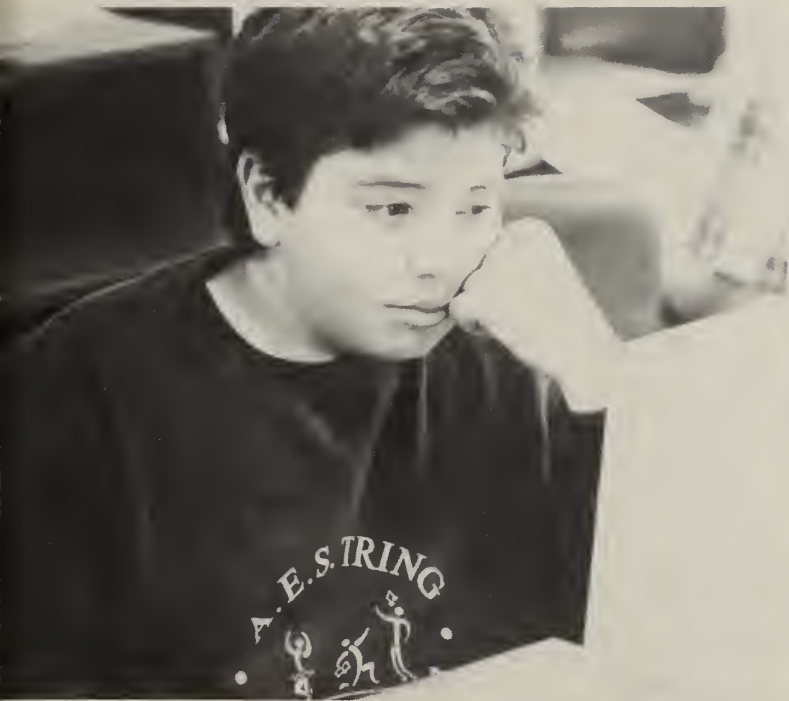

Although the House as a whole did not do very well in academics, there were some outstanding individual performances by Jason Harrison, Charles Smith and Nick Smith.

This year was Mr. Yates last as a Housemaster, and the whole House joins me in wishing him well in the future. We are now looking forward to next year with Mr. Candelaria in charge.

LONSDALE'S

For a house with a reputation like Lonsdale's, some observers might say we had an off year. For a good part of the year, statistics showed that we weren't among the top houses on campus. When it counted though, Lonsdale's was once again in the thick of things. We soared from a distant fifth into contention during the last month.

Although we weren't particularly strong academically we still had our fair share of bright lights. Bryan Barr was the top student in the house and the

school and he was supported by a quality cast including Mark Vlahos, Adam Thomas, Alvaro Santistevan, Ryan Bowes and Stephen Harper.

Mr. Davies completed his last year of a five year term, and will be dearly missed by all members of the house. He was the man responsible for bringing our house out of last place and pushing it to the top.

On the brighter side, Mr. Felix is the man who has been chosen to succeed him and he has the pressure on him now

to continue Lonsdale's success. He has been received warmly, and one can only be optimistic regarding the future.

On behalf of the house, I would like to thank the house assistants Mr. Dickens, Mr. Fraser, Mr. Dukelow and Mr. Hill for making the year such a good one. Finally on behalf of the Grade 12's I would like to wish continued success for Lonsdale's House.

RIPLEY'S

This year in Ripley's, we have been lucky enough to see Mr. Grey through his 30th year as Housemaster of Ripley's. This has really been the most enlightening part of the '89-90 year, but many other things happened as well. We started out the year with a positive attitude and managed to continue with this attitude and place well in all of the interhouse events. Our academics were strong throughout the year, led by Jethro Versteeg, Jon Bahl, Marc Klein, Darcy Repen and Matt Shaw, all of whom achieved over 80% for the year. The House was guided by a fine group of Prefects who managed to keep the less studious under control, well,

most of the time!!!

We received some fine additions to Ripley's this year as well. Among them Dennis Ma (our House Sumo Wrestler), Mark Bremner, Faizul Lalji and Geoff (No, I'm *not* related to Mario) Lemieux. Everybody seemed to link together as one and it stayed like that all year, which was really good to see. Many of the graduating class in Ripley's House were awarded School Colours for their effort on the varsity teams of 1989-90. Xander Allison (Rugby), Brock Jackson (Field Hockey), Brian Kindrachuk (Golf), Jon Bahl (Tennis, Badminton and Basketball), along with Jethro Versteeg (Track & Field). All

did the 'Double Blue' proud.

All in all, this was a very successful year in Ripley's, and with Owen Doerfler, Luigi DeNardi (both who made killings at the House Ritz), Peter Dry, Julian McMillan and Mike Miskulin as Prefects for next year, the future looks promising.

A special thanks also goes to our fearless leader Mr. Grey and all of the House Assistants.

Best of luck to everyone.

School House

School House has successfully completed its second year in the heart of Shawnigan.

At last the girls of the school were able to participate competitively in interhouse events with the new addition of Kaye's House to the campus. School House took great advantage of this and did their ultimate best to win the academic shield in the school for the first, second and third term. The final results are still to be announced . . . (we'll keep our fingers crossed and eyes

on the books!) We also came out first in the following house sport events: Volleyball, Basketball, Tennis, Squash, Badminton, Cycling and tied in Field Hockey. Special thanks to Cindy Clarke our sports captain for all her organization.

One of the events of School House this year was the announcement of our Housemistress Miss L. Hargood's plan to marry Mr. R. Grass in July. We met this surprise with a surprise of our own . . . a shower for the bride to be. We all

wish them happiness.

Special appreciation goes out to Mrs. McCracken, Miss Bunkall, and Mrs. Leary who all served as House Assistants for the school year 1989-90. A job well done.

Thanks go to the girls of School House for making the year so enjoyable . . . hats off to School House girls!!

to the Headmaster's Secretary

When I was asked to be Head of School, a year ago, I knew one day, not so far off, I would have to make this speech. At that time I considered this the least of my upcoming challenges. Well, a year has passed, and now I know better. Writing this address has been harder than any assignment I've received, and more worrying than any exam I ever had. No matter how many rewrites and revisions I do, I cannot adequately express what we, the graduates, feel today.

When I decided I wanted to go to boarding school I was twelve years old. It was two in the morning, I had the flu, and was funning a fever of 103°. A strange state of mind to make decisions that change your life. That fever was a fateful one, however, because I am standing here today.

I am here to represent a class of 70 some individuals. Some of them have been at Shawnigan with me since September 9, 1985, while many others have joined us along the way. The thing I remember about my first day is being told, by some considerate grade twelve, that it was fine for me to walk straight into the Master's Common Room if I needed some of those little lunch bags. Perhaps Mr. Anderson remembers saving me before I totally destroyed "tinkle time".

The last five years have been marked by a great deal of change for Shawnigan. The advent of co-education, the reign of three Headmasters, new facilities and staff are all changes I have seen occur at my school. It is interesting that those changes reflect many that I have seen occur within myself. I am certainly a very different person than the boy with my name who moved into Copeman's House five years ago. I feel like I have grown not only in the School, but with it. Likewise, everyone who spends their last day as a Shawnigan student today, has been changed by the School. That is the beauty of this place. It doesn't matter what your reasons for being here are, what your motivations are, or what your interests are. You can't avoid learning something, at 13 or at 17, all of us have grown here. We all came as boys and girls, but we are all leaving as men and women.

Up to this point, I have spoken of Shawnigan as an individual, and in many ways the school is a living being. But I know, as do you all, that many people make up the whole that is Shawnigan. There are The Governors, who uphold the so-important principles upon which the school is based. In them is also the assurance of a future for Shawnigan which looks very bright

indeed.

There are the students. No matter if they are grade eight or grade twelve, their attitude and motivation is what makes Shawnigan so alive. A school is nothing without a positive student body, and at Shawnigan the students continue to make the school the wonderful place it is.

It is the staff, however, that makes it work. They protect and encourage the ideals of The Governors, and they inspire the positiveness within the students. Sure, they know some Physics or Socials, but there is a special quality to the Shawnigan staff, and that is that they care. Some of us don't understand why, but we are certainly thankful.

There is another group which deserves our thanks. To our parents we owe more than any words can say. Without them we would not have had the opportunity to be here now. Their support and care is what has helped us get this far. We thank our parents for their trust and faith in us, and their dedication to our education.

The day we have so long awaited has finally arrived. Perhaps some of us wish we could have waited a bit longer, perhaps not. We have learned many things while here. Most importantly, we have all gained insight into our own lives, and developed our own values and principles. In that sense, the hard part is over. Now we must go out and apply what we have learned, perhaps adjust it, but never forget that Shawnigan is where we learned it.

Finally, I have two messages for the graduating class:

We are sitting on the verge of a new stage of life. Things will never be the same again. Let's not forget our youth in our looking forward, just as we should not hang too firmly onto the past. Let's be thankful for the memories we have, and the camaraderie we have shared. Let's remember the lessons we've learned, in and out of the classroom. When we meet again, it will be as friends.

For the school:

May you stay the magical place you were for us, and may we never forget you.

Thank you

Hamish A.D. Nixon
